

Dear Artist Member,

**Paisley Art Institute 131st Annual Exhibition,
5th September - 20th October 2019**

I'm delighted to share the news with you that **Paisley Art Institute Annual Exhibition 2019** is now on the road!

Due to the closure and major renovation of Paisley Art Gallery and Museum, PAI will be utilising an alternative venue for this year's Annual Exhibition. This year we will be located in **Unit 43A & 54, The Piazza, Central Way, Paisley, PA1 1EL** (the old CO-OP premises for anyone who knows it).

It's been a challenge to find a venue in Paisley that's large enough to accommodate the scope of the PAI annual open exhibition, so we are delighted to have secured a space in the heart of the town. The venue offers artists the opportunity to consider exhibiting site-specific works. This is an exciting opportunity for artists to display work in a non-traditional space with wider public access.

We will be working closely with museum colleagues from Renfrewshire Leisure to realise the technical delivery of the exhibition and our committee will be on hand as normal to receive art work on site during the hand-in days 1-4 August 2019.

We will open the exhibition on 5th September 2019 with a Corporate View
There will be a Private Viewing on 6th September and the exhibition will open to the public on 7th September 2019.

Full details, entry forms and membership packs can be found on our website.
<http://www.paisleyartinstitute.com/>

We look forward to another great year for Paisley Art Institute celebrating one of the largest and longest running art exhibitions in the UK.

A full colour catalogue will be published closer to the time.

Yours sincerely

Jean Cameron
